

The meeting was called to order at 8:15 p.m. in the Ravalli Toom by President John Ross. Fern Creek Thornton was changed to Dale Edward Thornton and Duke Gilbert was changed to William Gladstone Gilbert under committee appointments in last week's minutes. The by-law addition concerning the veto power was defeated last week because it lacked a 2/3 majority vote. Under Publications Board, the motion concerning the by-law waiver for Vicki Sanders also failed because of not having a 2/3 majority. Under the Zoning Committee the word zoning should be added in the second sentence before petition. Also the words Missoula City Council should be inserted before Board of Review and Mayor Dix should be changed to John F. Patterson, Board Chairman. Minutes were approved as corrected.

TRAIN TO BOZEMAN

Cosman said that the total cost of the train was \$3,905. This included \$3,785 for the train, \$50 for the policeman, and \$150 for the band. The loss has not been figured yet, but Cosman estimated the ASUM loss at \$1,000.

ICE RINK

Stockamp said that there were two alternatives. The old ice rink could be repaired at a cost of at least \$10,000 for the cooling unit. It could be used only for recreational purposes anyway because it is only a half size rink. To enlarge it the cost would be around \$75,000. Stockamp said that a new one could be built outside but that there was no place to put it. The cost of the insurance would be great unless there was somebody to guard it and even then it cost a lot. Stockamp said that the rink was built before the swimming pool by the students and was used for 3 or 4 years. Now the rink is being used for storage.
